

This Protection Plan Addendum ("Protection Plan Addendum") is attached to and forms a part of the Self-Storage Agreement ("Agreement") entered into by and between you (as Occupant) and Owner, as set forth in the Agreement for the use of the Premises located at the Facility.

1. **Protection Plan.** In Owner's experience, many occupants fail to obtain the appropriate protection against loss or damage to their personal property. Based upon the foregoing, Owner has implemented this Protection Plan in order to provide you some limited rights of reimbursement for certain loss or damage. The Protection Plan is NOT a policy of insurance and Owner is not an insurance agent, nor does the Protection Plan change your obligation to bear the risk of loss or damage to any stored property as set forth in the Agreement. The Protection Plan only applies to reimbursement for physical loss or damage to your stored personal property (and excludes reimbursement for loss or damage which may result from your loss of use of the property or the reduction in the market value of the property not resulting from physical damage).

Notwithstanding the foregoing, in consideration for the sum of \$16.00 per month ("Protection Plan Payment"), to be paid in addition to your other monthly rental charges, the Protection Plan provides limited reimbursement in the event of loss or damage to stored property, up to \$5,000, on the terms and conditions set forth in this Protection Plan Addendum. Protection Plan Payments shall be made in the same manner as monthly rent under the Agreement. Provided that the Protection Plan has not been cancelled (e.g., due to your non-payment of the rental obligations due under the Agreement), in the event of loss or damage to your stored personal property caused by an event set forth below, Owner will pay you for the actual cash value of the property or the cost of reasonably restoring the property to the condition immediately prior to the loss or damage, whichever is less. Property shall be valued at the time of loss or damage in the manner provided by the Agreement. No payment to you will exceed the \$5,000 limit.

2. **Cancellation of Protection Plan.** The Protection Plan provided by Owner is contingent upon the timely payment of the amounts due under the Agreement (which shall include, without limitation, the Protection Plan Payment). If a payment is not received within 10 days after the Payment Date, the Protection Plan shall no longer protect your property, and Owner shall not be responsible for reimbursing you for any loss of or damage to your stored property from any cause whatsoever. The Protection Plan may be reinstated, at the sole discretion of Owner, upon receipt of all rental and Protection Plan Payments and any other charges due and owing under the Agreement. In the event that you have satisfied the conditions of reinstatement, your rights under this Protection Plan Addendum shall be reinstated retroactively immediately following your payment in full. The Protection Plan shall terminate upon termination of the Agreement.

3. **Protected Loss or Damage.** If you participate in the Protection Plan, you may receive reimbursement for physical loss or damage to the stored personal property caused by the following (provided that the Premises or the building in which the Premises is located have been damaged):

- Fire and lightening;
- Windstorm, hail, tornado, hurricane, explosion, sonic boom, aircraft, self-propelled missiles, spacecraft, vehicles, smoke, volcanic eruption, riot, strike or civil commotion;
